Gold-mark Japanese Sword Case	Tozando is proud to introduce this premium synthetic leather "Gold Mark" case exclusively designed for Japanese swords (laito, Shinken). Designed by our craftsmen and laido experts, we believe it to be one of the most sturdy, practical and appealing sword carry case.	USD	120
Grooved Suburi Bokken Red Oak	This Grooved Suburi Bokken features a wide blade with a groove for excellent feedback during your Suburi training.	USD	73
laito Unsharpen Blade Training Katana Practice Samurai Sword for laido	This is the laito version of the Practical Katana. The sword has been created with the same exceptional quality as its predecessor but with an unedged Ha. The laito is the best and safest way to practice the Japanese sword arts, providing a feel that is similar to a live blade. The blade of the sword has been hand crafted from high carbon steel. The blade is full tang and comes unsharpened. The Tsuba has been constructed from blackened steel alloy in the classic sukashi kiku design . Blade: The blade has been hand crafted from high carbon steel	USD	140
Japanese Katana	Basic Dojo Grade Top of the Line	USD	500
Kyoto Suzaku laito Swords	Suzaku series laito looks, feels, and weighs the same as a live blade (Shinken). A big feature of our Suzaku blades is that they are not made from the usual sand casting method used for producing most imitation swords. Instead, we adopted a special reinforced GT metal blade made through highly precise gravity casting.	USD	625
Light Weight Compact Bogu Bag	Light and compact Bogu bag, good for Children's Bogu, but it's also possible to store a regular size Adult Bogu in it. Color available in black, navy and red Approximate size: 40 x 43.5 x 35cm	USD	56
Mitsuboshi Cool Light Kendo- Navy Blue	Mitsuboshi is a longstanding brand in the domestic Japanese market, founded in 1953, it is one of the oldest large Budo equipment makers around! Although maybe not very well known internationally due to their limited exposure oversea, they are known for high quality brand products such as the "MINE" Kendo Bogu and "FUJITAKA" Judogi.	USD	41
Nylon 3-Way Bogu Bag	Can be carried as a rucksack, a Boston bag or a shoulder bag. A water bottle pocket is attached on the side. Features 45x43x32cm Available in red, navy and black	USD	60
NYUMONSHA UNRYU KOSHIRAE IAITO	This Koshirae Nyumonsha, which literally means beginner, is perfect for those who have decided to start laido. Weight w/o the Saya: 900 g approx (2.45 Shaku) Blade: reinforced zinc, aluminium alloy* Hamon: Suguha Genuine Samegawa (ray skin) Tsukamaki (wrapping): 100% selected black cotton Mekugi peg: selected bamboo Saya: selected Ho wood Sageo: 100% selected black cotton Soft cloth sword bag is included Handmade in Gifu, JAPAN	USD	285
Octagonal Shape Furibo 2.5kg	The Octagonal Shaped Furibo 2.5kg is extremely heavy and should be used with great care. Suburi with a heavy Furibo is a excellent full body strengthening exercise. It improves one's sense of balance and stabilizes the center of gravity, which is a vital aspect when training Japanese martial arts. It also develops stable lower body and proper "tenouchi" or a grip required for every martial art style.	USD	260
